

Brief Bio/Tom Peters/26 Nov 2017

Tom Peters is coauthor of *In Search of Excellence*—the book that changed the way the world does business, and often tagged as the best business book ever. Seventeen books and thirty-five years later, he’s still at the forefront of the “management guru industry” he single-handedly invented. What’s new? A lot. As CNN said, “While most business gurus milk the same mantra for all its worth, the one-man brand called Tom Peters is still reinventing himself.” His most recent effort, forthcoming in April 2018, is *The Excellence Dividend: Meeting the Tech Tide with Work that Wows and Jobs that Last*. Tom’s bedrock belief: “Execution is strategy—it’s all about the people and the doing, not the talking and the theory.” In November 2017, Tom received the Thinkers50 Lifetime Achievement Award.
